

Town of Amberg
Special Board Meeting
Thursday, June 1, 2017-- 5:00 pm

Chairman Mattison called the meeting to order at 5:10 pm. Present were Chairman Mattison, Supervisor Holmes, and members of the Richard and Margaret Rhodes family: Susan Schlies, Annette Grube, Heather Schramm, and Dan Rhodes.

The family had looked at the Menominee Granite Company's proposal to emboss the opposite face of the existing stone with the names as printed on the wrong side. The family did not like that approach. They want the stone to have the names and Margaret had originally ordered, i.e., Margaret on the left and Richard on the right as viewed from the West. Family will negotiate the price with Menominee Granite, considering any value remaining in the original monument.

Motion made by Supervisor Holmes, second by Chairman Mattison, that the Town of Amberg will pay for the replacement once the family agrees on the final plan. The family wants to get a rep from monument company to meet them at the cemetery so that there will be total agreement on what the monument shall say and how it shall be placed.

The meeting moved to the cemetery so that all could understand the wishes of the family. Meeting adjourned at 6:15 pm.

Respectfully submitted, Ron Holmes Supervisor I.
